THE FLORENCE NIGHTINGALE of the The following is an extract from a letter written by the Rev.

A BENEFACTRESS. There is a woman in the public eye, whose name had all along

een associated, in our mind, with the "Yankee," "Quack," and "Humbug." But it is so no longer, and we desire to wrest her name from all such enspicions association in all other minda. Whatever notions we may have of womanly delicacy and propriety, we will all admit that woman alone is the Nurse—the goor sicians or not, is a question which must be decided by time and principle, and not as a matter of taste. Pride, prejudice, caprice, and custom may as well behave themselves, for if there is really a want, there will also be a supply-if there be "a calling," there will be a coming. Nature and Human Society are always self-supplying, and though Art and Fashion may hinder, they

Mrs. WINSLOW does not want to treat you, gen loss she prescribe a regimen for your wives, but modestly appears as a messenger of health and happiness to your infants in the cradle Is there anything improper in that? A nurse of ten years' experience can boldly say what is or is not good for a babe, and ought to be listened to. God speed her on her humble but happy mission! She is the most successful physician and most nappy mission: She is the most successful physician and most effectual benefactress our little one ever snjoyed—her doting parents not excepted. Just open the door for her, and Mrs. WINSLOW will prove the American Florence Nightiegale of the nursery. Of this we are sure: That we will teach our Sasy to say, "A blessing on Mrs. WINSLOW "-for helping her to say, "A bies-ing on Mrs. WINSLOW"—for helping her to survive and escape the griping, colicking, and teething siege. We confirm every word set-forth in the Prospectus. It performs precisely what it professes to perform—every part of it—nothing less. Away with your "Cordial," "Paregorie," "Drops," "Laudanum," and every other narcosite by which the babe is drugged into stepidity and rendered dull and idiotic for life.

We have never seen Mrs. WINSLOW-know he through the preparation of her "SOUTHING SYRUP, FOR CHILDREN TEETHING." If we had the power, we would nake her, as she is, a physical savior to the infant race.

MRS. WINSLOW'S SOOTHING SYRUP certainly does, as the name implies, "soothe" the little sufferer into a quiet, untural sleep, from which it awakes invigorated and refreshed. And for the cure of diseases incident to the period of teething, such as Dysentery, Diarrhes, Wind, Colic, &c., &c., we have never seen REV. SYLVANUS COBB THUS WRITES IN THE BOS-TON CHRISTIAN FREEMAN.

Mrs. Winslow's Southing Staur.—Are all the mothers who read The Freeman acquainted with this article, which we have savertised for the last few months! We would by no means recommend any kind of medicine which we did not know to be good-particularly for infants. But of this Syrup we can speak from knowledge; in our own family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sloop and its parents unbroken rest at night. Most parents can appre and its parents unbroken rest at night. Most parents can appreciate these blessings. We are entirely opposed to the prevalent practice of drugging infants, and would sooner lose our night's rest than consent to such a course. But here is an article which works to perfection, and which is harmless; for the sicep which it affords the infant is perfectly natural, and the little cherub awakes as "bright as a button." And during the process of teething, its value is incalcalable. We have frequently heard mothers say they would not be without it from the birth of a child till it had finished with the teething siege on any considerations whatever.

We have spoken of this Syrup for the benefit of our readers who are parents. We know its good value, and have experienced some of the rich blessings which result from its use. MRS. WINSLOW is no quack, but a woman of long experience as a Nurse and Female Physician.

Orders are coming in every day from Druggists in all parts of the country, "Send men are of MRS. WINSLOW'S SOOTH-ING SYRUP." Millions of bottles of MRS. WINSLOW'S SOOTHING SYR-
